

Club Championships Nomination Form – 2023/24

NOMINATIONS CLOSE AT 6pm Saturday 19th. August 2023

I (print name) hereby apply to compete in the championship events indicated (refer page 2) and will be responsible for personal and team fees as the nominating member.

Note: Fees must be paid along with application form to the Club Championship Organiser.

The 'Play before/on date and time' will be shown for all games. If players cannot agree to complete their games before the 'Play before/on date' and the games have not been played, Keith Harlow or John Heard (Championship Organisers) in consultation with all players involved, will make a decision to resolve any issues regarding playing time and dates, and then a date will be set in which the teams/players will play or forfeit to the team/player that is available to play on the set date and time as indicated by the Championship Organiser. Please remember to place your score cards (CLEARLY MARKED) in the Club Championship box (next to the selection board) after the completion of each game.
